ABOUT

Senior Software QA Engineer with 5+ years of experience delivering enterprise-grade software quality across the full testing lifecycle. ISTQB (R) Certified Tester (CTFL 4.0) specializing in functional, regression and integration testing, SQL-driven data validation, defect triage, and building resilient automation frameworks with Playwright and Selenium.

EXPERIENCE

Senior Software QA Engineer - Expleo Group, Dublin, Ireland

QA Analyst - Expleo Group (Apr 2022 - Jan 2025)

- Documented and executed high-quality test plans across functional areas
- Led defect triage discussions and coordinated test activities within scrum teams
- Interrogated underlying databases via SQL to extract test data and validate results
- Developed and executed load and performance tests
- Built Playwright-based automation for regression coverage

EDUCATION

MSc in Cybersecurity - National College of Ireland (2020 - 2021)

CERTIFICATIONS

- ISTQB (R) Certified Tester Foundation Level (CTFL) 4.0
- Certified Software Tester (CSTE)
